Review  
1  Pick up the “Module One Review Assignment” from the Math 053 drawer. Complete it. Then bring it to the desk to be graded and recorded.

Test  
1  When you are ready, go to the test desk and ask for Application Test One. Calculator use is recommended on the test. Go over your graded test with an instructor. Retesting is optional. If you retest, your score will be the average of the two test scores.

After completing Module One, get the “Module Two Study Guide” out of the Math 053 drawer.
