SERVICES PROVIDED:
CRC Health Group is an outpatient synthetic opiate treatment program that serves adults and their families. Our clinic is located in downtown Portland and provides a range of services from assessment/intake to discharge planning and aftercare counseling. CRC Health Group is a privately owned for-profit treatment program.

EXPECTATIONS OF STUDENTS/INTERNS:
- Adhere to all Oregon Administrative Rules and Federal regulations (including 42 CFR) governing Synthetic Opiate treatment programs;
- Adhere to all personnel policies and procedures as outlined in the personnel handbook;
- Protect our patients’ and co-workers’ right to receive treatment and work in an environment free of harassment or violence;
- Report to work as scheduled and follow directions of staff members; and
- Respect the cultural diversity of staff and patients.

REQUIREMENTS FOR STUDENTS/INTERNS:
- Current participation in relevant course of study;
- Strong oral and written communication skills;
- Active participation in clinical supervision as scheduled;
- Available to work early morning/afternoon hours;
- Willingness to work as part of a team; and
- If in recovery, 1 year of abstinence is required.

PRIMARY DUTIES:
- Observe assessments, group counselor, and individual counseling sessions;
- Co-facilitate group and individual counseling sessions;
- Co-manage small caseload with a full-time Chemical Dependency Specialist;
- Assist in client records management;
- Participate in select Quality Assurance efforts; and
- Conduct at least one intake assessment with the supervision of the Intake Coordinator.
EMPLOYMENT OUTLOOK:
CRC Health Group is an Equal Opportunity Employer with excellent benefits and compensation for full-time Chemical Dependency Specialists. Interns are eligible to apply for available positions as they occur. Positive on the job experience with the CRC team is a great asset to applicants.

2nd YEAR STUDENT PLACEMENT

CRIMINAL HISTORY CHECK MAY BE REQUIRED

As of April 15, 2011, practicum sites that use the Department of Human Services Background Check Unit will now conduct a weighing test and fitness determination when an individual has been identified as the perpetrator of abuse in certain cases of sexual abuse, physical abuse or financial exploitation. The Background Check Unit will specifically consider the most serious cases of abuse reported and substantiated from January 1, 2010, forward.
