SERVICES PROVIDED:

Her Place offers transitional residential, intensive outpatient and outpatient alcohol and drug treatment for women. The program primarily targets addicted pregnant women and post-partum women, as well as serving women with children up to age six. It is also open to IV drug users and women in childbearing age. We receive most of our clients from Children Services Division, probation referrals, and from Marion County Health Department. These women have multiple needs, which we attempt to address in our long-term treatment approach. We provide:

- Assessment
- Intensive Outpatient Services
- Safety Service Provider for DHS
- Onsite Childcare for Treatment Groups
- Onsite Parent/Child Therapy Services
- Onsite Staff Supervised visits with DHS involved children
- Living Skills Services
- Mentor Services
- Court Advocacy Services
- Fostering Attachment Treatment Court Provider
- Collaboration with TOT Court

ROLE OF THE PRACTICUM STUDENT:

Observe and assist the Counselor or the Case Manager in her duties. These duties include:

- Participate in the county orientation within 30 days of starting practicum; internship will be discontinued if student does not comply.
- Intakes
- Group therapy
- Individual counseling
- Community referrals

Updated 9/16/2016

**OPPORTUNITIES FOR EMPLOYMENT:**

Her Place is managed and directed by Marion County Health Department, Drug Treatment. Marion County has a history of hiring qualified Human Services Program students when positions are available.

**CRIMINAL HISTORY CHECK IS REQUIRED**

As of April 15, 2011, practicum sites that use the Department of Human Services Background Check Unit will now conduct a weighing test and fitness determination when an individual has been identified as the perpetrator of abuse in certain cases of sexual abuse, physical abuse or financial exploitation. The Background Check Unit will specifically consider the most serious cases of abuse reported and substantiated from January 1, 2010, forward.
