SERVICES PROVIDED:

UGM’s Men’s Mission serves men from a variety of backgrounds, some in the midst of crisis and some as part of an ongoing lifestyle of instability. Alcohol and drug abuse, mental illness, loss of employment, release from jail or prison, abandonment by friends or family, or other similar life circumstances bring guests to the Mission for both emergency shelter and food, as well as the New Life Fellowship recovery program.

PROGRAM DESCRIPTIONS:

1. Emergency Shelter: UGM offers safe and clean shelter, three hot meals a day, showers, laundry facilities, toiletries, first aid, and emergency clothing at no charge. Generally 30 days, with possible extensions, for men who have an immediate need for shelter while they are looking for safe, secure housing. All who stay meet regularly with staff to identify needs and make plans for future arrangements including housing, education, job search and finances. Twice-daily chapel, led by volunteers from area churches or UGM staff, is also offered for all guests and recovery program participants.

2. Transition Program: Services for men who are work-ready or employed. This program allows them time to seek, gain and experience employment from a safe, no-cost, secure base while save earnings for permanent housing.

3. Supportive Services: A special needs track for men who have limitations that prevent employment, but who would not benefit from a long-term recovery program. This program provides appropriate case management for the special need.

4. New Life Fellowship Program: A Christian discipleship and recovery program for men who are ready and willing to make a dynamic change in their lives as they learn to follow Jesus Christ. The NLF Program includes:
   - Weekly counseling
   - Bible studies
   - Life skills classes
   - Scheduled work therapy (employment readiness)
   - Learning Center classes and tutoring
- Increased participation in local church
- Job search and skills assistance through Valley Employment & Career Services

CRIMINAL HISTORY CHECK MAY BE REQUIRED

As of April 15, 2011, practicum sites that use the Department of Human Services Background Check Unit will now conduct a weighing test and fitness determination when an individual has been identified as the perpetrator of abuse in certain cases of sexual abuse, physical abuse or financial exploitation. The Background Check Unit will specifically consider the most serious cases of abuse reported and substantiated from January 1, 2010, forward.
