SERVICES PROVIDED:

Yamhill County Family and Youth Programs is a public, nonprofit program. The Adolescent Treatment Program serves the needs of adolescents (ages 10-21) who have a diagnosis of chemical dependency and/or mental health disorders that have resulted in serious problems in social, educational, vocational and behavioral adjustments. Family and Youth Programs is part of the Yamhill County Health and Human Services Department. Referrals for services come from patients, families, court/corrections, social services, schools and physicians.

Services Include:
- Assessment and evaluation, including psychiatric and psychological evaluations
- Outpatient services, including individual, family, group and multi family group treatment, case management and consultation
- Urinalysis
- Drug Court
- Sex Offender Treatment
- Sex Abuse Victim Treatment
- Assessment and consultation of youth attending Court School
- Youth Service Teams
- Referral to residential treatment
- School based Drug and Alcohol screening and assessment
- Gambling Education
- Minor in Possession Diversion Education

ROLE OF PRACTICUM STUDENT:

Students are expected to work 10 hours per week, and involvement for 2 terms is preferred. Students who have previous treatment experience/practicum experience are preferred. Duties range from client record maintenance; observation of and co-facilitation of intake, assessment, individual and group treatment; and case management. 2nd year Addiction Studies students.

Updated 2/27/2012
REQUIREMENTS FOR PRACTICUM STUDENTS:

- Ability to communicate well orally and in writing
- Maintain professional appearance and behavior
- Maintain confidentiality of client information
- Work some evening hours
- Demonstrate appropriate boundaries with staff and clients
- Attend staff meetings and clinical supervision
- Is self-directed and goal-directed in learning style
- Maintains current records of treatment as required, including intake/assessments, care and treatment plans, updates of plans, summaries and reports of progress according to agency standards for timelines.

CRIMINAL HISTORY CHECK MAY BE REQUIRED

As of April 15, 2011, practicum sites that use the Department of Human Services Background Check Unit will now conduct a weighing test and fitness determination when an individual has been identified as the perpetrator of abuse in certain cases of sexual abuse, physical abuse or financial exploitation. The Background Check Unit will specifically consider the most serious cases of abuse reported and substantiated from January 1, 2010, forward.
