SERVICES PROVIDED:
Bridgeway Recovery Services (BRS) provides both residential and outpatient treatment services for individuals suffering from symptoms of addiction, as well as co-occurring. BRS is a private, non-profit agency that provides treatment in Salem with support from The Oregon Health Plan (OHP), client fees, insurance, Marion County Sheriff’s Office, along with state and county contracts that support a wide range of treatment services. Bridgeway provides outpatient treatment for DUII, Marion County Drug Court, Mental Health Co-Occurring Disorders, Problem Gambling, and Substance Abuse. BRS provides residential treatment for Substance Abuse, and Problem Gambling along with chemically dependent Detox.

Treatment interventions are all evidence-based, trauma informed, and include Motivational Interviewing coupled with Stages of Change Theory, CBT, Matrix, and Seeking Safety. All include relapse prevention planning, criminal thinking errors, recovery skill building, and smoking cessation information. BRS offers outpatient addictions treatment in both English and Spanish.

CRIMINAL BACKGROUND CHECK REQUIRED
As of April 15, 2011, practicum sites that use the Department of Human Services Background Check Unit will now conduct a weighing test and fitness determination when an individual has been identified as the perpetrator of abuse in certain cases of sexual abuse, physical abuse or financial exploitation. The Background Check Unit will specifically consider the most serious cases of abuse reported and substantiated from January 1, 2010, forward.
